

Invertebrados marinos

| English | Español | Français |
|--------------------------------|----------------------------|-------------------------|
| abalone | oreja de mar | ormeau |
| acanthocephalia | acantocéfalos | acanthocéphales |
| aka coral | coral aka | corail aka |
| ameba | ameba | amibe |
| American oyster | ostra americana | huitre d'Amérique |
| amphioxus | anfioxo | amphioxus |
| anemone | anémona | anémone |
| Angolan flying squid | volador de Angola | toutenon angolais |
| annelida | anélidos | annélides |
| apple murex | gusano corneta | rocher fascié |
| Argentine shortfin squid | calamar rojo argentino | encornet rouge argentin |
| Atlantic white-spotted octopus | pulpón | poulpe à bras longs |
| Australian mussel | mejillón australiano | moule d'Australie |
| barnacle | percebe | anatife |
| bivalve | bivalvo | bivalve |
| black coral | coral negro | anémone buissonnante |
| black sea cucumber | cohombro de mar negro | boudin de mer noir |
| black sea urchin | erizo negro | oursin noir |
| black squat lobster | sastre negro | galathée noire |
| black stone crab | cangrejo de roca negro | crabe caillou noir |
| blue mussel | mejillón azul | moule bleu |
| boring sponge | esponja perforante | éponge perforante |
| brachiolaria | braquiolaria | brachiolaria |
| brachiopoda | braquiópodos | brachiopodes |
| brachyura | braquiuros | brachyours |
| brain coral | coral cerebro | corail cerveau |
| brittle star | ofiuro | ophiure |
| broadtail shorftin squid | calamar rojo | encornet rouge |
| bryozoa | briozoos | bryozoaires |
| calcareous tubeworm | gusano tubícula serpentino | serpule |
| Cape razor clam | navaja de El Cabo | couteau du Cap |
| Cape Town lobster | cigarra de mar | grande cigale |
| chaetognatha | quetognatos | chétognathes |
| Chilean flat oyster | ostra plana de Chile | huitre plate chilienne |
| chiton | quitón | chiton |
| choanoflagellata | coanoflagelados | choanoflagellés |
| chokker squid | calamar de El Cabo | calmar du Cap |
| choro mussel | mejillón coro | moule choro |
| ciliata | ciliados | ciliés |

| English | Español | Français |
|--------------------------|------------------------|---------------------------|
| cladocora | madrépora mediterránea | clacodore |
| clam | almeja | palourde |
| cnidarian | cnidario | cnidaire |
| cockle | berberecho | coque |
| comb jelly | medusa peine | méduse peigne |
| common cuttlefish | sepia común | seiche commune |
| common jellyfish | aurelia | amélie |
| common octopus | pulpo común | poulpe commun |
| common prawn | quisquilla común | crevette rose |
| common squid | calamar común | encornet |
| coral | coral | corail |
| cotton spinner | cohombro de mar pardo | boudin de mer noir |
| cowrie | cauri | porcelaine |
| crab | cangrejo | crabe |
| crown-of-thorns starfish | corona de espinas | couronne d'épines |
| crustacean | crustáceo | crustacé |
| ctenophora | ctenóforos | cténophores |
| cushion star | estrella de capitán | astérie pentagonale |
| cuttlefish | sepia | seiche |
| cylinder anemone | anémona cerianto | cérianthe de Méditerranée |
| daisy anemone | actinia solar | anémone solaire |
| deeper hermit crab | ermitaño de hondura | gonfaron |
| deep-sea coral | coral de profundidad | corail de profondeur |
| denticulate rock oyster | ostra plana de Guinea | huitre plate de Guinée |
| Devonshire cup coral | clavel de mar | corail œillet |
| diatom | diatomea | diatomée |
| dinoflagellata | dinoflagelados | dinoflagellés |
| echinoderm | equinodermo | échinoderme |
| echinoidea | equinoideos | échinidés |
| echiuridae | equiúridos | échiuriens |
| elephant ear | oreja de elefante | oreille d'éléphant |
| elkhorn coral | coral cuerno de alce | corail corne d'élan |
| entoprocta | entoproctos | entoproctes |
| equinodermata | equinodermos | échinodermes |
| European flat oyster | ostra plana europea | huitre plate européenne |
| European flying squid | volador común | toutenon commun |
| European lobster | bogavante | homard |
| European razor clam | navaja europea | couteau d'Europe |
| false coral | falso coral | faux corail |
| feather star | clavelina | comatule |
| flagellate | flagelado | flagellé |

| English | Español | Français |
|---------------------------|--------------------------|-------------------------------|
| flat oyster | ostra plana | huitre plate |
| foraminiferida | foraminíferos | foraminifère |
| garnet coral | coral granate | corail grenat |
| gastropod | gasterópodo | gastéropode |
| gastrotricha | gastrotricos | gastrotriches |
| giant squid | calamar gigante | calmar géant |
| green mussel | mejillón verde | moule vert |
| hermit crab | cangrejo ermitaño | pagure |
| Japanese flying squid | volador japonés | toutenon japonais |
| jellyfish | medusa | méduse |
| jumbo flying squid | calamar gigante | encornet géant |
| kinorhyncha | quinorrincos | kinorhynches |
| Korean mussel | mejillón de Corea | moule coréenne |
| large-crooved brain coral | coral cerebro | corail cerveau |
| limpet | lapa | patelle |
| limulida | limúlidos | limulidae |
| limulus | límulo | limule |
| lion's mane | medusa melena de león | méduse à crinière de lion |
| little sea urchin | ericillo de mar | oursin grimpeur |
| lobster | langosta | langouste |
| man-of-war | carabela | physalie |
| Mediterranean gorgonia | gorgonia anaranjada | gorgone plumeuse |
| microsporidea | microsporidios | microsporidies |
| mollusk | molusco | mollusque |
| momo coral | coral momo | corail momo |
| Monaco shrimp | camarón monegasco | crevette monégasque |
| mud tube worm | gusano de funda | sabelle de vase |
| mussel | mejillón | moule |
| nautilus | nautilo | nautilaire |
| needle-spined urchin | puercoespín marino | oursin rouge à longs pignants |
| nematoda | nematodos | nématode |
| nematomorpha | nematomorfos | nématomorphes |
| nemertina | nemertinos | némertiens |
| Noah's ark | arca | arche de Noé |
| nut crab | cangrejo guisante | crabe en forme de noix |
| octocoralian | octocoral | octocorail |
| octopod | octópodo | octopode |
| octopus | pulpo | poulpe |
| Olympia oyster | ostra plana del Pacifico | huitre plate du Pacifique |
| onychophora | onicóforos | onychophores |
| orange coral | coral anaranjado | corail orangé |

| English | Español | Français |
|-----------------------|------------------------------|------------------------|
| ostracod | ostrácodo | ostracode |
| oyster | ostra | huitre |
| Pacific razor clam | navaja del Pacífico | couteau du Pacifique |
| Patagonian squid | calamar de Patagonia | calmar patagon |
| peacock worm | gusano empenachado | sabelle |
| pen shell | nácar | jambonneau de mer |
| periwinkle | bígaro | bigorneau |
| phoronida | foronideos | phoronidiens |
| pilgrim's scallop | concha de peregrino | coquille Saint-Jacques |
| pink jellyfish | medusa luminiscente | acalèphe brillante |
| platyhelminthes | platelmintos | plathelminthes |
| polyp | pólipo | polype |
| Portuguese man-of-war | carabela portuguesa | physalie |
| prawn | quisquilla pequeña | bouquet |
| protozoa | protozoos | protozoaires |
| purple starfish | estrella púrpura | étoile de mer pourpre |
| radiolaria | radiolarios | radiolaires |
| razor clam | navaja | couteau |
| red comb-star | estrella de arena anaranjada | étoile peigne |
| red coral | coral rojo | corail rouge |
| red sea anemone | actinia roja | actinie pourpre |
| red sea squirt | ascidia roja | ascidie rouge |
| red starfish | estrella espinosa roja | étoile de mer rouge |
| river Plata mussel | mejillón del Río de la Plata | moule de la Plata |
| rock mussel | mejillón de roca | moule de rocher |
| rock sea urchin | erizo de mar común | oursin pierre |
| rotifera | rotíferos | rotiphères |
| royal cucumber | cohombro de mar real | holothurie jaune |
| sand dollar | galleta de mar | petit clypéaster |
| sand hermit | ermitaño guerrero | pagure de sable |
| sandworm | arenícola | arénicole |
| Sardinia coral | coral de Cerdeña | corail de Sardaigne |
| scallop | concha | coquille |
| scleractinian coral | coral pétreo | corail dur |
| sea anemone | anémona de mar | anémone de mer |
| sea cucumber | cohombro | boudin de mer |
| sea fan | abanico de mar | gorgone |
| sea finger | mano de muerto | main de mer |
| sea hare | liebre de mar | lièvre de mer |
| sea mouse | ratón de mar | aphrodite hérissé |
| sea orange | esponja de ermitaño | orange de mer |

| English | Español | Français |
|-------------------------------|------------------------------|---------------------------|
| sea snail | caracol marino | limace de mer |
| sea star | estrella de mar | étoile de mer |
| sea urchin | erizo de mar | oursin |
| sea wasp | avispa de mar | guêpe de mer |
| sea whip | gorgonia | gorgone |
| seasnail | caracol marino | limace de mer |
| seaweed shrimp | quisquilla de pradera | crevette d'herbiers |
| seven-star flying squid | calamar estrella | encornet étoile |
| shame-faced crab | cangrejo real | crabe honteux |
| sharped-hilled brain coral | coral cerebro | corail cerveau |
| shift arms jellyfish | acalefo azul | rhizostome |
| shipworm | gusano marino | ver de mer |
| shrimp | gamba | crevette |
| sipunculidae | sipuncúlidos | siponcles |
| snakelocks anemone | anémoma de mar común | anémone de mer |
| spiny lobster | langosta europea | langouste européenne |
| spiny starfish | estrella de mar común | étude de mer glaciaire |
| sponge | esponja | éponge |
| sponge crab | cangrejo peludo | crabe dormeur |
| squid | calamar | calmar |
| staghorn coral | coral de asta de ciervo | corail en corne de cerf |
| tan brain coral | coral cerebro de bronce | corail cerveau de bronze |
| tardigrada | tardígrados | tardigrade |
| trypanosome | trípanosoma | trypanosome |
| tube sea squirt | ciona intestinal | ciona |
| tubeworm | gusano tubícola | ver tubicole |
| variegated scallop | zamburiña | petine vanne |
| violescent sea-whip | gorgonia violácea | gorgone multicolore |
| violet heart urchin | erizo de corazón purpúreo | oursin pourpre |
| violet sea urchin | erizo de mar violáceo | oursin violet |
| whelk | buccino | buccin |
| white sea squirt | piña de mar | vioulet blanc |
| wreathy tuft tube worm | pluma de mar | spirographe |
| yellow encrusting sea anemone | anémoma incrustante amarilla | anémone encroûtante jaune |
| yellow gorgonian | gorgonia amarilla | gorgone jaune |
| zebra mussel | mejillón cebra | moule zébra |
| zoanthid | zoantario | zoantharia |
